Working on Public Education and betterment of the breed.

The PBC specialty shows were a stupendous success at the Inn at Pima on March 3 and 4. There were 106 entries! The grassy show area was shaded by trees so the bullies were not too warm. The rooms at the Inn were spacious so guests had plenty of space even with several dog crates in the room. A hospitality room was available. Even the weather cooperated and added to the success. Congratulations to club members who were winners including:
